ARCHITECTURE • DESIGN/BUILD • CONSTRUCTION MANAGEMENT

3. See attached A6.01 – Floor Patterns & Mantle Details
4. Delete any reference to Caney Lake Baptist Church.
5. Ceiling Tile #1280 is a residential lay in panel by Armstrong.
6. The Owner will be providing the site paving. General Contractor will include in his price, slabs, drive-thru, curbs, sidewalks, and miscellaneous site concrete. Site Paving will be coordinated after GC completes project.
7. The Owner will be providing all bank equipment, video surveillance, alarms (if applicable), telephone, and data equipment. GC to provide stub outs and electrical requirements as indicated in Construction Documents. GC will coordinate with owner all these different trades.
8. See attached list of Subcontractors to whom bank with People Bank. Peoples Bank encourages General Contractors to allow these companies to possibly provide services but General Contractor is not required or obligated.
9. There will be no mandatory pre-bid conference. Owner and Architect encourages General Contractor to review and take pictures of the existing building and site.
